PRESIDENT'S MESSAGE

President's Message

Throughout the year Students' Union has supported many enjoyable school functions. In the months of October and November, all enjoyed the annual Halloween Dance and Hardisty 500. In December, secret admirers got their chance to send a note through our Candy-o-gram system. December was brought to a lively close with a Christmas Dance. In February and March we sponsored a Greaser Day and a lunch-time sock hop as well as the famous Air Guitar Contest. The year end went superbly with a Participaction Day and Dance, and for the grade nines a great graduation celebration. Overall, it was an interesting and exciting year for Hardisty students.

We would like to give our personal thanks to the student body of Hardisty for making everthing happen. We would also like ~~to thank~~ Mr. Irons (dad) for his suggestions and support.

Good luck in the future to all of you!

PRINCIPAL'S MESSAGE

As this school year rapidly comes to a close, we reflect, through our yearbook, upon various student and staff activities. It is through this reflection that we realize school is more than just a place for learning the prescribed program. Learning involves living and communicating with people and participating in social activities. From these experiences we learn to get along with people in later life. I am proud of the way most students accepted their responsibilities and achieved in academics, sports and citizenship. The effort and cooperation of students and staff in all school activities have made this year enjoyable and rewarding for all of us.

May I extend my sincere thanks to Mr. Bihun and all members of the Yearbook Club for another excellent yearbook. You are to be congratulated for your imagination and hard work in this endeavor.

To all our students, may I wish you every success in your future years. I hope that Hardisty has prepared you with the academic skills, the imagination and the spirit to successfully tackle the challenges that the future holds for you.

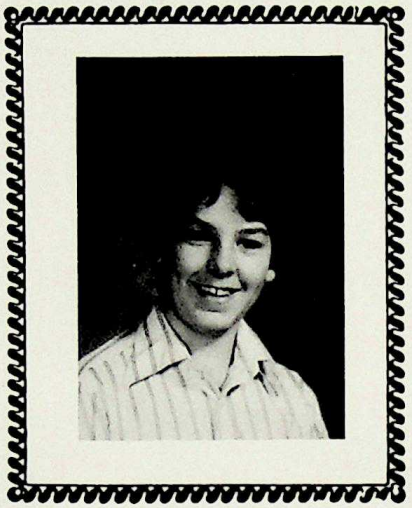
MEMORIAL



PAUL ERNEST FERBEY

June 29, 1971 - May 3, 84

Paul was born on June 29, 1971. He spent his first six years of schooling at Fulton Place Elementary and his seventh year at Hardisty Junior High. Paul was an excellent student and was liked by all.

Paul enjoyed football, floor hockey, and baseball. He participated in intramurals.

Paul's passing away was a sorrow to us all but the good times we shared with him will live on in our hearts.
